

THE 28th ST PHILIP
& ST JAMES

CHARITY GOLF DAY

FRIDAY 1
JUNE 2018

MOWSBURY
GOLF CLUB,
BEDFORD

Would you like to help raise money for two fabulous local charities?

Over the past **27 years**, we've raised **£55,000** for deserving local causes – in 2017, thanks to supporters such as you, a massive **£7,500** was shared between Autism Bedfordshire and Juvenile Diabetes Research Foundation. This year, we are supporting:

Launched in 2011, **Bedford Foodbank** now regularly distributes 6-8 tonnes of food to more than 500 local people every month. The charity's seven distribution centres in Bedford and Kempston provide each person with three days worth of nutritionally balanced food to nourish themselves and their families, as well as a cup of tea and someone to listen to their problems, offering advice and support in time of crisis. bedford.foodbank.org.uk

A small registered charity based in Bedford, **Tibbs Dementia Foundation** is dedicated to creating a truly dementia-friendly society. The foundation provides quality, accessible, creative and relevant support services, activities and opportunities for people living with all stages of dementia (or significant cognitive impairment) and their family carers and supporters within the Bedford area, assisting around 300 local people every month. tibbsdementia.co.uk

YOU CAN HELP US BY
